

How to involve local authorities

Christian Moe

adviser

The Norwegian State Housing Bank

Regional Office West

Our regional offices

Region west

Objectives and targets in the strategy

| Primary objective | Target |
|---|--|
| Preventing people from becoming homeless | Number of eviction petitions shall be reduced by 50 %, and the number of evictions by 30 %. No one shall have to spend time in temporary housing upon release from prison. No one shall have to seek temporary housing upon discharge from an institution. |
| Contribute to improve the quality of overnight shelters. | No one shall be offered overnight shelters without a quality agreement. |
| Help ensure that homeless people receive offers of permanent housing without undue delay. | No one shall stay more than three months in temporary housing. |

Measures

1. Regional contact forums
2. Municipality networks

The Norwegian State Housing bank is
coordination both

Regional contact forum

The aims:

- ensure effective co-ordination by the government authorities on a regional level
- exchange experience
- report results
- initiate pilot projects and
- prevent duplications in the work

Partisipants

- Directorate of Integration and Diversity
- The Norwegian Correctional Services
- County Governors
- Norwegian Directorate for Children, Youth and Family Affairs
- the Execution and enforcement office
- The Regional Health Enterprises
- Norwegian Association of Local and Regional Authorities
- The largest cities

Organization

- Different in each region
- Leaders and/or employees
- Meets once or twice a year

Municipality networks

- Collaboration with the County Governors
- Target: Transfer of experiences
- Urban networks, rural networks and county networks
- Leaders and/or employees
- Guests speakers
- Agreements

Working systematically

1. Plan for helping the homeless – grants
2. Projects – grants
3. Permanent positions

Thank you for your attention!
