

ALCOHOL & DRUGS IN OUTREACH SETTINGS

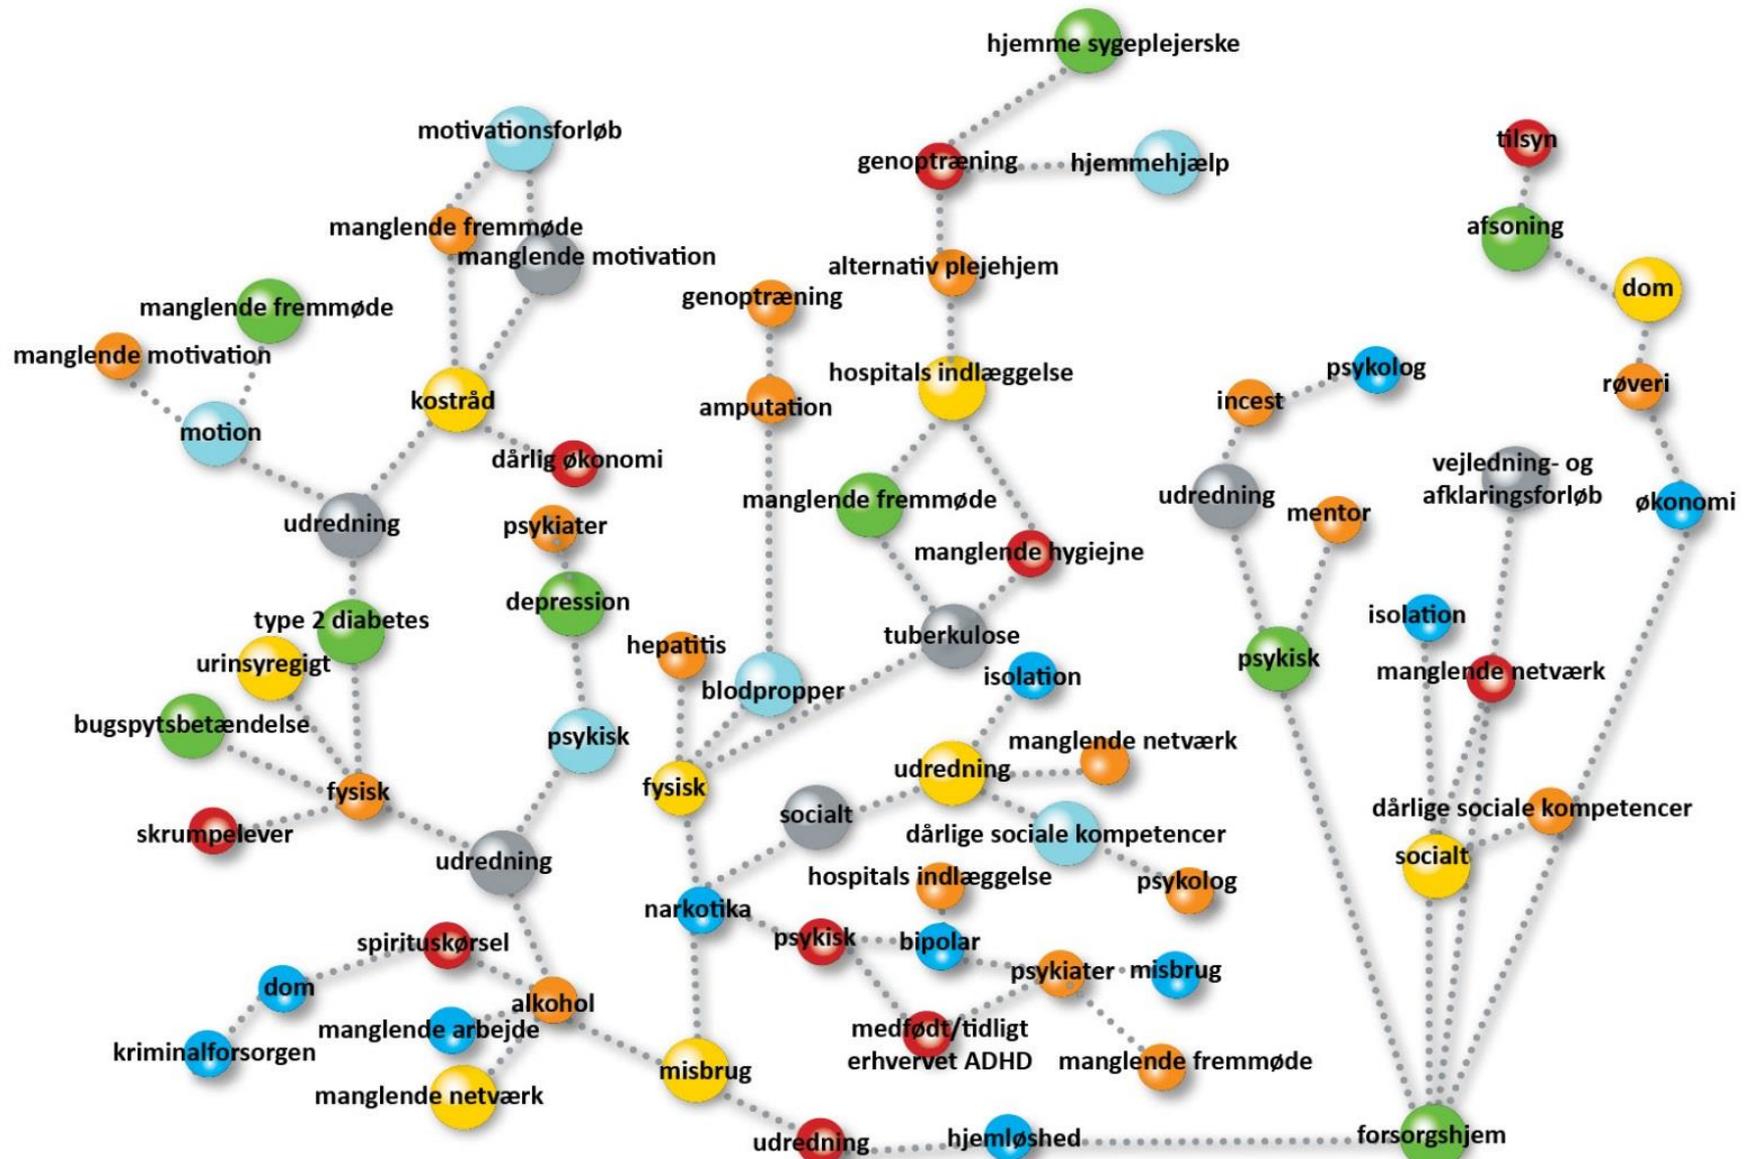

...ONE WAY OF EXTENDING ACCESS FOR SEVERELY UNDERSERVED AND
MARGINALIZED PEOPLE

Henrik Thiesen / HealthTeam & Save Life/ Center for Marginalized Adults and Families

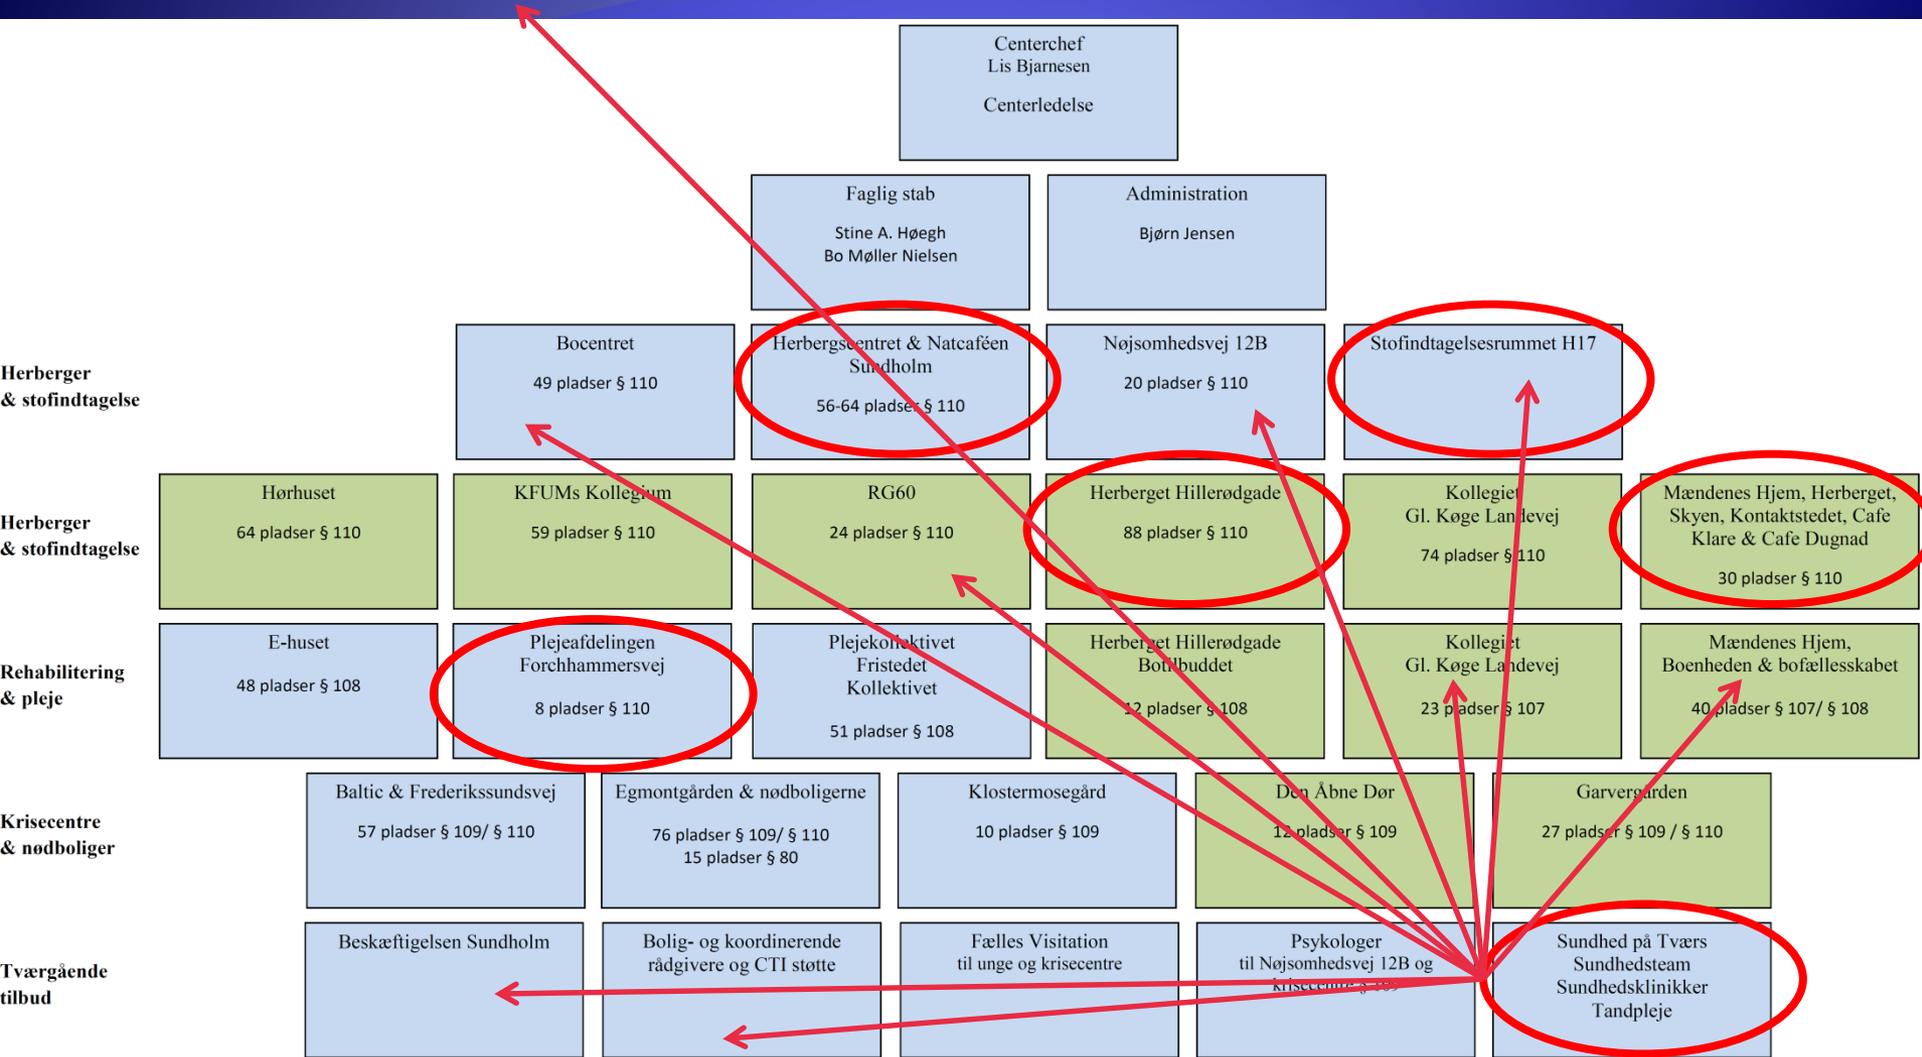

FEANTSA 20th June 2019

The journey through life for every person is unpredictable and mostly it doesn't come out as we expect it to

Treansverse Health Outreach

Day centers, night-shelters, volunteer health staff, outreach psychiatry, "social-nurses", sociolance, peer-driven organizations etc. etc.
