ROMANIA	EU AVERAGE	RANK
- 50 %	- 61 %	6 th

¹Average results of ranking on housing cost overburden, arrears on mortgage or rent payments, severe housing deprivation, inability to keep home adequately warm and overcrowding.

²Regarding tables 10,11,12,13, the ranking is based on equality in terms of the risk of facing severe housing deprivation. The more a country diverges from equality, in one direction or another, the worse the ranking.
