Recommendations in relation to evictions during the health crisis

- **Keeping people housed** as a way of limiting the spread of Covid19:
 - Ban evictions for the duration of the health crisis;
 - If for any reason an eviction takes place, the person must be provided with secure and decent alternative housing;
- **Establish financial and legal measures** to alleviate rent arrears and avoid over indebtedness.
- Ensure essential services (such as heating and electricity).
- Establish services to counsel in eviction cases, i.e. legal services for tenants, mediation for eviction cases

• *“Housing has become the frontline defense against the coronavirus. Home has rarely been more of a life or death situation.*

- COVID-19 GUIDANCE NOTE Leilani Farha, former UN Special Rapporteur on the right to adequate housing.
