About FEANTSA

With over 100 members, **we are the only European NGO focusing exclusively on fighting homelessness.**

We do this mainly by maintaining a constant dialogue with EU institutions, conducting and disseminating data and research, promoting the exchange of information and good practice, and raising public awareness. FEANTSA has consultative status at the Council of Europe and the United Nations.

Different types of membership

FEANTSA membership is open to a wide range of actors in the fight against homelessness. That is why we have different types of membership to fit different organisations.
